Re: Extension Agreement for Contract #19-14P-02, Electronic Scoreboards and Signs

The above referenced contract is hereby mutually extended for an additional one (1) year period until October 15, 2023. This is the fourth year of a potential five-year agreement. Please indicate your desire to extend your contract by completing and emailing back the signed Contract Extension along with the following documentation:

- Updated Certificate of Insurance (see terms and conditions of contract to ensure compliance).
- Proof/Verification of ROC Licensing in good standing (if applicable).
- Proof of any other applicable licensing related to your contract.
- Proof/Verification of good standing with Arizona Corporation Commission or other State's comparable Corporations/Business Division or Secretary of State (as applicable).
- Updated Contact Information Sheet completed.

Please check ONE of the following appropriate boxes regarding pricing:

- No price updates at this time. Current pricing on file is accurate.
- Our contract utilizes a firm-fixed price list. We are providing an updated fixed price list for 1GPA's review (attached).
- Our contract pricing is based on a percentage discount off list price. We have provided new price lists for 1GPA's review. Please see the attached updates. *Note: Percentage Discounts remain the same as per contract terms and conditions.*
- We are aware of new price lists that will be coming available during the upcoming contract year. We will present those when received. Current price lists will remain on file until updated price lists are reviewed and approved by 1GPA. *Note: Percentage Discounts remain the same as per contract terms and conditions.*
- We have provided an updated cost form that includes adjustments to our labor and services rates for 1GPA's review.

If any of the boxes were checked regarding pricing updates; please include a brief description of the update here:

Our service rate has changed, along with our inspection rates. Rate increase is due to wage, equipment increase. Our shipping rates changed as shipping has increased. We figured best way to handle is bill @ cost.

It is the contractor's responsibility to keep all pricing up to date and on file with 1GPA. All price changes must be provided to 1GPA for review and utilizing the same format provided in the contractor's original proposal.

By signing this document, vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

In addition, please verify that your company is providing usage reports as per the terms of your contract. If you have any questions or concerns regarding these reports, please feel free to contact Michelle Aiken by email: maiken@1GPA.org.

Except as otherwise expressly provided in this amendment, all of the terms and conditions of the Contract remain unchanged and in full force and effect.
