## AMENDMENT NUMBER 1 <br> TO MASTER AGREEMENT CNR01503

BETWEEN

EDUCATIONAL \& INSTITUTIONAL COOPERATIVE SERVICES, INC.
AND
UniGroup, C.A.

## 1. The following section shall be added to Appendix A of the aforementioned Agreement.

## FUEL COST PRICE ADJUSTMENT:

For Motor Vehicles, a fuel-related Cost Price Adjustment (Surcharge) will be applied according to Item 16 (Fuel Cost Price Adjustment) of Tariff UMT1.

For Household Goods, in lieu of the Fuel Cost Price Adjustment in Tariff UMT1 (which is based on a percentage of transportation charges), a fuel-related Cost Price Adjustment (Surcharge) will apply on a per shipment basis as provided herein. The Surcharge will be calculated based on the zip-zone mileage used in Tariff UMT1 and the rules found in Tariff UMT1. The following fuel shall not apply on Snapmoves ${ }^{\text {sm }}$ shipments.

For shipments loading and/or delivering within the Western States, the Fuel Cost Price Adjustment shall not be based upon the DOE fuel price. Instead, the Fuel Cost Price Adjustment for those shipments shall be based upon an average diesel fuel price created by adding together the published DOE price per gallon of diesel fuel for "West Coast (PADD5)" and "California" and dividing the sum of those numbers by two (2) (West Coast Fuel).
