BRIEF HISTORY of DAVE BANG ASSOCIATES, INC. 2022

In this proposal we at Dave Bang Associates, Inc. would like to offer 1GPA discount off of MSRP and fixed pricing on the factories submitted in this bid. We also are offering installation by our Certified Licensed Installers. The foremen have been CPSI certified and have safety in mind when installing. Dave Bang Associates offers the highest quality products at the best value. This gives us the opportunity to supply you with equipment only or a full "turn key" operation including installation.

Dave Bang Associates has been in business for over 43 years and has had excellent success with school districts, private contractors, cities and municipalities in Arizona and California. Having a broad expanse of customers has extended our area of customer service and less technical problems.

We have very experienced sales staff, product support specialist and installers that are always ready to help any customer with any problem or concern they may have. We are committed at Dave Bang Associates to help the customer always with a friendly and happy attitude. We feel this is one of our strong points that separate us from the competition. We love to help our customers!!!

Dave Bang Associates also has been one of the top producers in the country with our factories; therefore, we get top-notch service for the customer.

We have appreciated the business we have done with 1GPA in the past several years and anxiously await another contract with you.

BID BOND*

School procurement rules require that all competitive sealed procurement for construction have bid security, if the amount of the construction contract will exceed the amount established by Arizona Administrative Code (A.A.C.) R7-2-1002(A). Bid security as a percentage of the bid amount is unacceptable, as this is a term contract with no specific bid amount.

Bidders shall include acceptable bid security in the amount of **\$100,000** with submission of their Bid.

Acceptable bid security for this solicitation will be a certified check, or an annual or one-time bid bond underwritten by a surety company licensed to issue bonds in the appropriate state construction will take place, with the principal being the prime contractor and 1GPA being the Agency of Record.

Upload a copy of an acceptable bid security here. For vendors submitting bonds, the associated Power of Attorney should also be uploaded here. Multiple files are acceptable if needed. Contact Rebecca Seifert at rseifert@1gpa.org for submittal instructions prior to the bid due date and time if your firm intends on submitting a certified check as bid security.
