

Board Recommendation for Contract Award

DATE: April 28, 2022
TO: Pinal County ESA
FROM: IGPA
Christy Knorr
Vice President
RE: Fencing Products and Services
IFB 22-12P

It is the recommendation of IGPA that the above referenced IFB for Fencing Products and Services be awarded to the firms determined to have submitted the lowest responsible and responsive bids as indicated below:

Awarded Firms

AA Anchor Fence Inc dba Associated Fence
Biddle & Brown Fence Co LLC
Phoenix Fence Company

The purpose of this Invitation for Bid (IFB) is to establish long-term contracts with qualified firms that provide fencing products and services including, but not limited to products, installation, repair, maintenance and replacement on an as needed basis to IGPA Members.

The Bid Opening for this solicitation was held on April 6, 2022 virtually via Vast Conference. Three (3) bids were received and reviewed by IGPA.

It is determined a single award is not advantageous to IGPA's Members. The solicitation authorized multiple awards to meet the needs of IGPA's various types of members and locations in Arizona and other states. Award is recommended to the least number of lowest responsible, responsive bidders whose bids conform in all material respects to the requirements and evaluation criteria set forth in the IFB. The recommended firms offer a variety of fencing products and services.

This is a multi-year contract beginning from date of award for one year. The contract may be extended up to a maximum of four (4) additional years on a year-to-year basis. Annual renewals would be based solely on the determination of IGPA as to the performance, costs and general quality of the services provided by the successful vendors selected.
