

Labor and Service Rates

RFP 23-10DV Grounds and Irrigation Products and Services

Instructions: Provide hourly rates for labor and services provided under this RFP. Provide service rates for any other levels of service or expertise your firm offers on the blank lines provided in Section C. Add as many lines as needed to represent all of your services offered. All labor and service rates shall remain firm until each anniversary date of the contract. In the event of an occurrence of one or more allowable economic price adjustment contingencies, Contractor may submit a fully documented request for a fixed price list adjustment to 1GPA. Revised price adjustments for fixed pricing will not become effective until approved by 1GPA.

Provide information on rental equipment if applicable in Section D. Provide information on any other programs offered in Section E. These may include but are not limited to extended warranty, maintenance, e-commerce capabilities.
