Phone Number: 855-486-8855

Contract Title/Number: 23-09P-01 Dropout Prevention and Recovery Services

Description of Amendment Request:

In addition to the current existing language, Graduation Alliance would like to include a section specifically for Community Colleges that segments existing services in individual components. Descriptions and pricing are listed below:

Community College Registration Recovery & Case Management — *Involves active outreach to encourage learners to enroll or re-enroll to pursue their education. Services may include case management and other services to support, such as to assist learners in overcoming barriers that prevent them from progressing.*

Graduation Alliance has extensive experience providing active outreach to encourage learners to pursue and/or continue their education and can use this experience to help support learners in 1GPA Member community colleges achieve success.

Graduation Alliance Enrollment Counselors are specifically trained in outreach to learners to use the most effective outreach strategies to engage 1GPA Member community college learners. Outreach Counselors use a multi-modal approach to reach out to learners including phone, text, email, and U.S. mail. Community Colleges approve all learners contacted by Graduation Alliance.

Graduation Alliance Student Success Coordinators offer services that include wraparound supports such as case management support, mentorship, and assistance in overcoming barriers that prevent learners from achieving their academic goals.
